

## RED HORIZON 2014

### IN THE GLASS

Light and elegant, this easy drinking red blend has an abundance of cherries on the nose, followed by the lingering scent of tobacco and ripe plums. On the palate, soft tannins give way to a well-integrated wine that is drinking exceptionally already, but promises to get even better by next winter.

### IN THE VINEYARDS

Our Cabernet Sauvignon and Cabernet Franc blocks were planted in 2010, whilst our Merlot block was planted in 1999. Soil is coarse sand of the Clovelly formation.

### IN THE CELLAR

Grapes are harvested in the cool of the morning and fermented on the skins. After pressing, the wine is racked to 225 litre French oak barrels of which 70% are new. The wine spends a total of 15 months in barrels.
